OFFICE OF PETITIONS

Sir:

Your Petitioner, Clean Fuels Technology, Inc., owner of all of the right, title, and interest in the above-identified patent application, hereby petitions to revive this application under the provisions of 37 C.F.R. §1.137(b) because the application was unintentionally abandoned.

On June 15, 2001, an Office Action was mailed in this case. On November 15, 2001, in response, the applicant filed, by facsimile, a Transmittal Letter and Facsimile Cover Sheet, a Request for Extension of Time, an Amendment and Response to Office Action, a Terminal Disclaimer, and an Executed Declaration of Dennis L. Endicott, and a USPTO Credit Card Payment Form to the USPTO. The Transmittal Letter and the Amendment were each accompanied by a certificate of mailing in accordance with 37 C.F.R. §1.8.

An auto-reply facsimile transmission was received by Applicant's representatives indicating that the facsimile was received on November 15, 2001 at 6:43:19 PM Eastern Standard Time. The auto-reply facsimile transmission from the USPTO indicates that the Amendment was in fact received by the United States

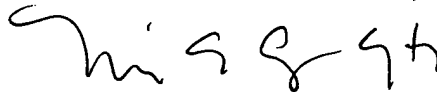

Patent and Trademark Office on the date indicated, and that the Amendment was in fact submitted in a timely manner in response to the June 15, 2001 Final Office Action.

A Notice to Withdraw Abandonment was submitted on September 20, 2002. A Notice of Abandonment Withdrawal was mailed by the USPTO on October 10, 2002. The Examiner mailed an Advisory Action on October 15, 2002 stating that the period for reply expires 5 months from the mailing date of the final rejection and that the proposed amendments were not entered because they present additional claims without canceling a corresponding number of finally rejected claims.

The undersigned has personal knowledge that the above-identified patent application was unintentionally abandoned.

Transmitted herewith is a Response to Office Action, a Request for Continued Examination Application, and a check in the amount of \$640.00 pursuant to the provisions of 37 C.F.R. §1.17(m), covering the cost of this petition.

Respectfully submitted,
SIERRA PATENT GROUP, LTD.
